

## WORKSHOPS

### JUL I SCANDINAVIA WOOL CHRISTMAS WALL HANGING

We will cover all the stitches used in the Jul i Scandinavia quilt and the basics of working with wool. After starting this project in class, you will have all the tools needed to complete it at home!

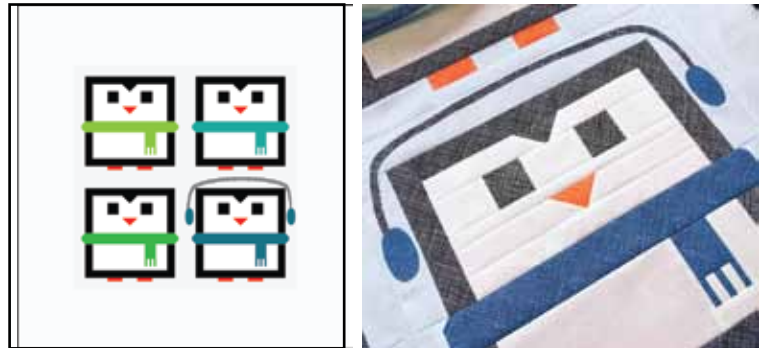

### SCANDINAVIAN TOMTE ~ Full Day

Christmas all year! Learn how to stitch and flip and let's have some fun making this whimsical Tomte quilt in time for the holidays!

### THE BIG CHILL ~ Full Day

Crazy for penguins? Let's use our basic patchwork skills and the stitch and flip method to make these adorable penguins!

### TEXTING! APPLIQUE TECHNIQUES FOR WORDS ~ Full Day

In this workshop we will cover different techniques for creating designs using text or words. Inspired by my Dear Daughter Quilt Pattern, this class will explore personalizing your quilts with text!

### **BASIC HAND QUILTING WITH BIG STITCHES ~ Full Day**

This workshop covers the basic essentials for successful big-stitch hand quilting. Topics include a discussion of needles, thimbles, thread, and marking tools. Students will mark, baste and begin to hand quilt a small wall hanging or pillow.

### **QUILT AS YOU GO ~ JOINING QUILTED BLOCKS (and other quilt parts!) ~ Full Day**

Learn to stitch custom quilting one step at a time on your home machine. Students will learn how to quilt small sections of their quilt top and join them after. Plus tips on how to plan the back of your quilt! You will love how easy this technique is, and it can work for almost any quilt top!

### **MADAWASKA MITTEN WORKSHOP**

Baby, it's cold outside! I love quilting and sewing, but I also love making cozy mittens from wool sweaters, and I've made hundreds! (no lie!) In this fun workshop I will walk you through making your first pair of mittens lined with fleece. You won't believe how warm they are!
